

MTH 350-01 Grade Checklist

Instructions: As you complete items in the course, check off the boxes *starting at the bottom and moving upwards*. **Once you've checked all the boxes in the row for a grade, you have earned that grade in the course.**

Grade	Weekly Practice with M or E	Problem Set with M or E	Daily Preps Passed	Workshops Passed	Startup/Review Assignments passed	Proof Portfolio and Project
A	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> Setup <input type="checkbox"/> Conditional Statements <input type="checkbox"/> Mathematical Induction <input type="checkbox"/> Set theory <input type="checkbox"/> Functions <input type="checkbox"/> Matrices and complex numbers	<input type="checkbox"/> High Pass on one
B	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>		<input type="checkbox"/> Pass on both
C	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>		<input type="checkbox"/> Pass on Proof Portfolio
D	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/>	(No requirement)	<input type="checkbox"/> Pass on either one

- You must complete **all** requirements in the row for a grade in order to earn that grade.
- Plus/minus grades will be awarded at the professor's discretion based on how close you were to completing a row.
- A grade of "F" is given if **none** of the rows is fully completed.
